Re: Private/Parochial School Transportation Request

The Peekskill City School District Transportation Department **must receive all transportation requests for private and parochial schools no later than April 1, 2024,** for the 2024-2025 school year or transportation may not be provided.

According to NYS Education Law, all transportation request forms for private and parochial schools must be filed annually by April 1st of the preceding school year or transportation may not be provided by the home district.

Transportation Request Forms are **not** carried over from year to year. A new form must be filed by April 1st for the next school year.

Also, if your child will need transportation to a childcare provider, you must submit an application completed and signed by your childcare provider. This application must be submitted with your Private/Parochial Transportation Request Form.

The Childcare Transportation Application is available on the Peekskill CSD website ([www. peekskillcsd.org](http://www.peekskillcsd.org)). Please fill out the form in its entirety and return it by April 1, 2024, to the Transportation Department. If you have any questions, contact the PCSD Transportation Office.
