

My name is Richard Sullivan and I am running for the Peekskill Board of Education. I stand with one purpose and focus...the children. My platform is based on honor, integrity and Peekskill pride. I am a progressive visionary. I look forward to collaborating with the community in order to ensure transparency within our district. Our children's education is paramount and this needs to be the number one focus in decision making.

I have been a Peekskill resident for over 11 years and am an active member of the community serving the children in Woodside and Uriah Hill and in Lapolla Little League. This is my second year serving as the PTO President for Woodside and Uriah Hill, a position in which I have successfully enriched the lives of the elementary school children through promoting literacy and reading through personally reading to the Kindergarteners, holding book fairs, and bringing cultural enrichment classes to the students. Last year, I volunteered my time at Peekskill High School preparing the lighting equipment for the drama production, as I am a Theatrical Engineer by trade, working on Broadway. My persistence and ability to follow through has helped bring hot food options to the students at Uriah Hill.

I look forward to the opportunity to continue to serve my community as a member of the Peekskill Board of Education.
